Dear City of Dallas Plan Commissioners,

Thank you for serving on CPC and your service to the City of Dallas.

I do not want my neighborhood hollowed out by short term rentals (STRs).

Please support the proposed KISS solution to zone STRs out of neighborhoods. STRs ARE commercial lodging which is already NOT allowed in most residential zoning.

Please protect the 500,000+ homeowners who do not want to live next door to a hotel and all the problems they bring to our neighborhoods.

This isn't a case of trying to balance two competing - legitimate - interests.

STRs are owned primarily by investors who simply want to make money. They have no long-term stake in our neighborhoods or city.

Thank you for your consideration of my concerns,
